eWallet

There is a facility to use the financial module with schoolshoponline called eWallet. This allows you to deposit funds into the account and draw on the funds for your purchases. Using this facility costs 0.30c per deposit – so you may deposit for the whole term or the whole year if you wish! Friday lunches DONE AND DUSTED!!!

It is important to include your eWallet account number in the information section when making a deposit as this is the only way we can associate the payment with your account. You can find your account number under “My Account” –> “View My eWallet”.
