

**St. Mary's Catholic Primary School, Laidley**  
**Religion Scope and Sequence**  
**Year Three**

**ACHIEVEMENT STANDARD**

By the end of Year 3, students select and use information, ideas and events in texts (including key stories from the Torah; images of God used by the human authors of Old Testament scriptures; and prayers attributed to the saints) to express their ideas about God's relationship with people as individuals and communities; God's presence and action in daily life experiences; and the order and harmony in God's creation. They locate information about the cultural contexts in which the Gospels were written and the text types used by the human authors of New Testament texts. They use this information about texts to discuss ideas about the life and teaching of Jesus, including the Christian belief that Jesus is the Messiah. Students explain how the Scriptures provide a foundation for living a moral life, including respect for basic human rights and acknowledgement of responsibilities, in particular to the poor and disadvantaged. They identify prayers of thanksgiving and prayers of praise, including Glory to the Father [Glory Be] and demonstrate understanding of the significance of these forms of prayer for Christians. They explain ways in which the Sacraments of Initiation (Baptism, Confirmation, Eucharist) welcome and strengthen members of the Church community. They describe significant people, events and features of a parish and diocese, past and present, including the collaboration of clergy, religious and laity. They participate respectfully in a variety of prayer experiences, including meditative prayer, prayers of thanksgiving and prayers of praise.
